

# Dr Duncan Taylor

BSc (Hons), MB ChB (Edin), MRCPsych, FRANZCP  
Psychiatrist

We are proud to announce that Dr Duncan Taylor has commenced private practice as a Consultant Psychiatrist here at Mitcham Private Hospital and will offer treatment for patients aged 16 - 65.

Dr Taylor has over 10 years of practice in psychiatry with a broad range of experience in Australia, New Zealand and the UK. He has been practicing in Australia as a Consultant Psychiatrist since 2011.

## Current Appointments

- The Melbourne Clinic
- Kilmore Colonial Bank Specialist Centre
- Latrobe Regional Hospital

## Special interests

Dr Taylor is interested in developing a broad psychiatric practice at Mitcham Private Hospital. He works with patients using a broad bio-psychosocial approach using a range of tailored treatment strategies, including: brief and long term psychotherapy (psychodynamic, supportive and CBT) and pharmacotherapy.

Dr Taylor is keen to work with general practitioners as well as psychologists and other health practitioners. He will provide psychiatric assessments and ongoing outpatient management as well as conducting comprehensive assessment and management plans for the following and other conditions:

- **Mood and Anxiety Disorders**
- **Interpersonal/personality difficulties**
- **Bipolar Disorder**
- **Schizophrenia**
- **Stress**
- **Grief**
