

Do you
think your
breasts have
changed?

**Concerned about a lump?
Speak to your GP today**

Why wait?

Get the full picture with Mitcham BreastCare.

Your GP can refer you to Mitcham BreastCare for rapid assessment.

- Within 2 working days you will be seen by a specialist Breast Surgeon.
- Same day diagnostic tests including state-of-the-art 3D Mammogram (Tomosynthesis)
- Results will be returned to your GP and Specialist **within 24 hours.**
