

Self-funded Maternity Care at Mitcham Private Hospital

About Mitcham Private Hospital

Pregnancy and birth are exciting and challenging events for a family. At Mitcham Private Hospital, we understand this and deliver a maternity experience like no other. Delivering over 1,300 babies per year, we pride ourselves on offering first-class care in a comfortable and luxurious setting.

Our supportive, caring, and experienced team, combined with our state-of-the-art birthing suites and brand-new maternity accommodation, provides you with a warm and nurturing environment to welcome your new baby into the world.

Our Facilities

- State of the art birthing suites equipped with therapeutic comfort tools
- Recently renovated private maternity accommodation with stylish facilities and calming green accents. Equipped with:
 - Mini fridge
 - Comfortable furniture
 - TV
 - Natural light with outdoor views
 - Private, spacious ensuite
- Level 2 Special Care Nursery
- Tranquil courtyard (some rooms have private courtyard access too!)

Midwifery Care

From preparing for birth and parenthood to welcoming your new baby into the world and beyond, we are here for you every step of the way.

Our genuine and caring midwifery team provide around the clock support throughout your stay, plus additional support throughout your pregnancy, birth and as a new parent.

Following the birth of your baby, our team of caring and experienced maternity staff provide you and your partner comprehensive care, parenting education and support including personalised information on feeding, sleep, settling, parenting skills, and taking your baby home from hospital.

Specialist Care

Choose your own specialist obstetrician who you will meet at regular intervals from pre-conception, pregnancy, birth and once your baby is born.

Mitcham Private Hospital works with some of Melbourne's most sought-after obstetricians and gynaecologists who will provide important personalised care throughout your pregnancy.

If you have specialised needs such as multiple births or infertility, we have experts who are trained to assist. We also have bilingual doctors and midwives on staff so we can engage with you in your preferred language.

Self-funded Maternity Care Packages

Not everyone has private health insurance. You might choose not to take up the expense, might have fallen pregnant outside of your waiting period or are a visitor to Australia. This does not mean you have to miss out on a private maternity experience at Mitcham Private Hospital.

Overseas patients with no Medicare card are also encouraged to contact us for a competitive price.

We welcome all patients without private health insurance to consider a self-funded maternity care package.

Your Self-Funded Maternity Care package can include:

- ✓ Three nights' accommodation for vaginal birth or four nights' accommodation for Caesarean Section
- ✓ Choice of obstetrician
- ✓ Option for Elective Caesarean Section
- ✓ Individualised care in the birth suite
- ✓ In-house comprehensive postnatal education
- ✓ Guaranteed private standard room with ensuite
- ✓ Option to upgrade room at an additional cost subject to room availability
- ✓ High-quality gourmet meals
- ✓ Breast Feeding support
- ✓ Postnatal Physiotherapy class
- ✓ Personal maternity booking support from our Maternity Liaison Officer
- ✓ 24 hr telephone advice service
- ✓ Local telephone calls

Book a free tour

Personal tours are available and are conducted by our knowledgeable Maternity Liaison Officer Sisly Wang.

Maternity tours are a valuable opportunity to see the beautiful hospital ward for yourself, and to meet with Sisly face to face to discuss the facilities, services and programs available at our hospital.

Sisly speaks fluent English, Mandarin and Cantonese and can assist you with any questions you have about the hospital stay.

To book a tour please contact Sisly via email
